“KEEP EVOLVING” - THE SOKOL BLOSSER FAMILY

With the touch of our winemaking team and adoration for food-loving wine, our 2016 Evolution Riesling is so zingy and bright that it will wake up your taste buds and brighten your day.

We crafted a wine that will stand up to spicy curries and stinky cheeses. It's not your grandma's riesling. It's the wine for the daring wine lover. The wine lover who likes to buck the norm and ignore the stereotypes.

Like a stealthy wolf in sheep's clothing, our Riesling is slightly sweet on the outside yet packs a punch. It has a core of acidity that grabs your attention and makes it food's best friend.
