2014 DUNDEE HILLS ESTATE PINOT NOIR

“A red with plenty of cinnamon, plums and dried cherries. The palate is medium-bodied, delicate and polished with pretty fruit flavors.”

- James Suckling, 91 Points

Our **2014 Dundee Hills Pinot Noir** epitomizes everything Sokol Blosser has stood for in nearly 45 years of winegrowing in Oregon. Crafted to be a true expression of terroir from our hillside vines and Jory soil, this wine is made from a low yield crop that is dry-farmed for quality and comprised of grapes that are all from Dijon, Pommard and Wadensvil clones.

The pinot noir grape is highlighted in every bottle -- a reflection of our winemaking style, elegant wines that express the pureness of our fruit and terroir. What has resulted is a wine with dark color and great intensity.

VINTAGE HIGHLIGHTS

Like the rest of the world, 2014 was a really warm year in Oregon. This was the largest crop we have ever seen at Sokol Blosser, and 2014 was our 44th year of winegrowing in the Dundee Hills. Such a large crop can greatly increase disease pressures, but with the dry summer and dry harvest time conditions, the crop came in as clean and disease free as in 2012.

WINEMAKING

10-15 year lifespan in a proper cellar

PAIRINGS

Wild salmon, seared Ahi tuna, grilled venison sausage, duck, pork and rack of lamb. Our 2014 Dundee Hills Pinot Noir will hold up to the most intense flavors but not overwhelm.

In 1971, the Sokol Blosser family planted grapes on just five acres in the Dundee Hills. As one of the pioneering wineries of the region, Sokol Blosser has played a key role in developing and shaping the now-prominent Oregon wine industry. The winery is family owned and operated, with the second generation now at the helm: siblings Alex and Alison Sokol Blosser. Achieving B Corp certification in 2015, the estate has grown to more than 85 acres under cultivation, and the winery works to create wines of world-class quality, produced in a sustainable manner, which reflect the distinctive flavors of the grapes, soil and climate. Cheers!
