“KEEP EVOLVING” - THE SOKOL BLOSSER FAMILY

With the touch of our winemaking team and love for pinot noir, our 2014 Evolution Pinot Noir is so delicious that it will knock your socks off, literally.

We sought out to evolve pinot noir to make it the weekday weekend wine. It's the wine for the imaginative food lover. Evolution Pinot Noir celebrates the any-food occasion.

Dangerously juicy and fruit-driven with a sophisticated silk. This bottle of pinot makes enjoying a young pinot noir wine so easy to drink and share.

“A ripe and rich 2014 but with a classic Oregon character of meat, spices and hints of fresh herbs that's all in harmony. Full to medium body, fine tannins and a complete finish. Drink or hold.”

- James Suckling, 92 Points
