### Evolution Chardonnay

We love Chardonnay. It's versatile, friendly to the most healthy - and most decadent - of foods, and comes in so many different styles. Our Evolution Chardonnay is anything but buttery, decidedly not oak-y and refreshes like summertime sprinklers. Our winemaking team crafted a Chardonnay in the style they'd like to drink themselves. Dangerously floral and fruit-driven with a crisp finish. This wine makes it easy to enjoy drinking a young Chardonnay, and even easier to share with friends.

### Evolution Riesling

With the touch of our winemaking team and adoration for food-loving wine, our Evolution Riesling is so zingy and bright that it will wake up your taste buds and brighten your day. We crafted a wine that will stand up to spicy curries and stinky cheeses. It's not your grandma's Riesling. It's the wine for the daring wine lover. The wine lover who likes to buck the norm and ignore the stereotypes. Like a stealthy wolf in sheep's clothing, our Riesling is slightly sweet on the outside yet packs a punch. It has a core of acidity that grabs your attention and makes it food's best friend.

### Evolution Brut Sparkling

The great sparkling wines of the world are blends or as the French would say, "Assemblage," of multiple grape varieties, from multiple vintages, and differing levels of malolactic fermentation. These wines are blended to make a complex sparkling wine that matches the taste profile desired by the winemaking team. With this in mind, we have thought for many years that Evolution White would make an amazing base wine for the production of a true méthode traditionnelle brut-style sparkling wine. So, here it is.
