

## Estate Pinot Noir Dundee Hills, Willamette Valley, Oregon 2021

Our story began in 1971 when our parents, Susan Sokol and Bill Blosser, first planted vines in Oregon's Dundee Hills. As second generation winegrowers, we are passionately committed to our family's legacy of creating world-class wines, through sustainable methods, which express our distinctive hillside vineyards.

### VINTAGE HIGHLIGHTS

2021 was the 2nd warmest growing season we have ever seen since 2015. We also got to add a new term to the dictionary: "Heat Dome". Three straight days of triple digit temperatures in late June breaking heat records for the Willamette Valley. Bud break started like usual in the middle of April. We had the driest March through May that the Willamette Valley has seen through 128 years of record keeping! Bloom also appeared on time in early/mid June. While late June brought the "Heat Dome", our grapes made it through thanks to bloom being finished at all our sites and there still being soil moisture, so they grew like crazy over those three days of hellish temperatures. While July and August turned out to be exceedingly hot and dry, September arrived with little rain which that allowed us to fully ripen the grapes. The hot and dry summer made for fruit that was extremely clean, resulting in excellent fermentations. All in all, mother nature gave us something to be grateful for on our 50th anniversary.

### THE STORY

Our Dundee Hills Pinot Noir epitomizes everything Sokol Blosser has stood for in over 51 years of winegrowing in Oregon. Crafted to be a true expression of terroir from our hillside vines and Jory soil, this wine is made from a low yield crop that is dry-farmed for quality.
