Wine

With the skill of our winemaking team and a love for Pinot Noir, our 2021 Evolution Pinot Noir is so delicious that it will knock your socks off, literally. We sought out to evolve Pinot Noir to make it the anytime wine. It's the wine for the imaginative food lover. Evolution Pinot Noir celebrates the any-food occasion. Dangerously juicy and fruit-driven with a sophisticated silk. This bottle of Pinot makes enjoying a young Pinot Noir wine so easy to drink and share.

Winemaking

The grapes for this wine hailed from several vineyard sources around Oregon, including some of our Estate fruit. The grapes were fermented to dryness over 7-10 days, the wine was pressed off the skins, and finally put down for a seven month slumber in stainless steel with a touch of oak influence.

Vintage

2021 was HOT, HOT, HOT! Fruit ripened fast and clean, and even though harvest was on the early side we were thrilled to be bringing in high-quality fruit from all over the Willamette Valley.

Notes

The Willamette Valley never fails to produce beautiful fruit flavors in its Pinot. This wine is packed with bright red fruit flavors, warm baking spices, and a hint of savory mushroom.

Pairings

A foodies delight, this wine pairs with darn near everything! Pumpkin chipotle soup, glazed pork chops, wild mushroom risotto, even a decadent dark chocolate torte!
