

Evolution

By Sokol Blosser

Pinot Noir Willamette Valley 2023

For over 50 years the Sokol Blosser family has been putting passion into bottles at our winery in Oregon. In 1998 we poured that love for wine into Evolution – exceptionally food-friendly wines for exceptional people.

Wine

With the skill of our winemaking team and a love for Pinot Noir, our 2023 Evolution Pinot Noir is so delicious that it will knock your socks off, literally. We sought out to evolve Pinot Noir to make it the anytime wine. It's the wine for the imaginative food lover. Evolution Pinot Noir celebrates the any-food occasion. Dangerously juicy and fruit-driven with a sophisticated silk. This bottle of Pinot makes enjoying a young Pinot Noir wine so easy to drink and share.

Winemaking

Coming from all over the Willamette Valley, the grapes were harvested from September 14th to October 8th. The wine was fermented to dryness over 7-10 days with pump-overs to mix up the magic. The final wine was put down for a seven month slumber in stainless steel with a touch of oak influence.

Vintage

All across Oregon the 2023 vintage was easy-peasy, lemon-squeezy! There was a late, cool spring, a warm dry summer with just a little heat blip in August, and a great looking harvest. Some years mother nature just lets you get the easy 'W'!

Notes

The Willamette Valley never fails to produce beautiful fruit flavors in its Pinot. This wine is packed with rich flavors of cranberry, blackberry, and plum, followed by a touch of black tea and tannins on the finish.

Pairings

A foodies delight, this wine pairs with darn near everything! Pumpkin chipotle soup, glazed pork chops, wild mushroom risotto, even a decadent dark chocolate torte!
