Brut Sparkling

Wine

The great sparkling wines of the world are blends or as the French would say, “Assemblage,” of multiple grape varietals, from multiple vintages, and differing levels of malolactic fermentation. These wines are blended to make a complex sparkling wine that matches the taste profile desired by the winemaking team. With this in mind, we have thought for many years that Evolution White would make an amazing base wine for the production of a true méthode traditionnelle brut-style sparkling wine. So, here it is.

Winemaking

The base for our Sparkling Wine was made with gently pressed fruit aged only in stainless steel. It was then bottled and put through a second fermentation and allowed to rest en tirage for 12 months! Disgorged in the Fall of 2020, this wine comes in with a gorgeous 12g/L giving it a fantastic brut finish!

Vintage

Vintage? We don't need no stinkin' vintage! This blend is made of the best wine from multiple vintages, so we just call it our 8th edition.

Notes

Apricots, green apples, bosc pears, white peaches, and citrus. Creamy yet crisp, this is a brut delight!

Pairings

Gourmet grilled cheese, truffle-salted popcorn, potato chips, cedar plank salmon, fish & chips, chicken Saltimbocca, eggs Benedict (no orange juice required).
