2020 Big Time Red

Wine

Whether you're a foodie, grill master, or a weekend take-out connoisseur: this the the red wine for you!

The red blend that was made for food; bigger and bolder, with a bright, juicy flavor profile that is nothing short of exquisite! Evolution Red Blend is perfect for serving with dinner, but drinkable enough to enjoy while you're making dinner. Share it with your favorite foods and your favorite people!

Winemaking

This is a big red blend using a couple of traditional Italian varietals and one traditional French varietal. Also, like the French Rhône's we add a splash of white wine, just a small percentage of our Evolution Lucky No. 9 White, to bring in another layer of complexity that lifts the aromatics, color and flavor.

Vintage

The Willamette Valley started off the growing season with a cool, wet spring. Summer came through with ease and but insane wildfires brought harvest to a halt! Thankfully a massive rainstorm saved the day and we wrapped up the 2020 season with optimism!

Notes

Rich flavors of cherry and plum pie filling, black cherry and red currants abound, with the daintiest hints of savory notes throughout.

Pairings

Anything grilled! Burgers, smoked pork ribs, bbq chicken, korean bbq, italian red sauce dishes pizza, even ratatouille.
