Big Time Red 2022

For over 50 years the Sokol Blosser family has been putting passion into bottles at our winery in Oregon. In 1998 we poured that love for wine into Evolution – exceptionally food-friendly wines for exceptional people.

Wine

Whether you're a foodie, grill master, or a weekend take-out connoisseur: this is the red wine for you!

The red blend that was made for food; bigger and bolder, with a bright, juicy flavor profile that is nothing short of exquisite! Evolution Red Blend is perfect for serving with dinner, but drinkable enough to enjoy while you're making dinner. Share it with your favorite foods and your favorite people!

Winemaking

This is a big red blend using a couple of traditional Italian varietals and one traditional French varietal. Also, like the French Rhônes' we add a splash of white wine, just a small percentage of our Evolution Lucky No. 9 White, to bring in another layer of complexity that lifts the aromatics, color, and flavor.

Vintage

2022 had a late start but made up for it by being our 2nd hottest summer on record! Grapes were chilling on the vine so long into October we thought we were going to have to make them Halloween costumes! But the weather stayed nice and dry until the end and we had gorgeous, gorgeous fruit to make gorgeous, gorgeous wines.

Notes

Lovely fruit notes of cranberry, plum, and red cherry, with hints of clove and anise.

Pairings

The perfect wine to bring to a BBQ! Pair with beef or portobello burgers, fried or barbecued chicken, and sausages.
