

# EVOLUTION

“KEEP EVOLVING” - THE SOKOL BLOSSER FAMILY

We love chardonnay. It's versatile, friendly to the most healthy - and most decadent - of foods, and comes in so many different styles. Our 2018 Evolution Chardonnay is anything but buttery, decidedly not oak-y and refreshes like summertime sprinklers.

Our winemaking team crafted a chardonnay in the style they'd like to drink themselves. It pairs with our favorite chicken curries, or when you're craving fish and chips - just for the halibut, a Pacific Northwest favorite.

Dangerously floral and fruit-driven with a crisp finish. This bottle of chardonnay makes enjoying a young chardonnay wine so easy to drink and share.

EVOLUTION  
CHARDONNAY

**THE WINEMAKING** chardonnay. willamette valley. 13.0% alcohol. 365 cases produced. stainless steel aged.

**THE VINTAGE** 2017. cold. wet. kept us guessing. year of the bumper crop and high-quality fruit.
