

Dundee Hills, Willamette Valley, Oregon Estate Rosé of Pinot Noir

2024

Our story began in 1971 when our parents, Susan Sokol and Bill Blosser, first planted vines in the now-famous Dundee Hills of Oregon's Willamette Valley. As second generation winegrowers, we are passionately committed to our family's legacy of creating world-class wines.

VINTAGE HIGHLIGHTS

After a cool spring, the first notable heat came to Oregon in mid-to late June when the berries were in the early stage of development, followed by a weeklong heat wave in July. Fruit came in as usual with slightly small berries from the July heat. August brought slightly warmer than average temperatures followed by September, which was a roller coaster for temperatures with record breaking heat early and late in the month, sandwiching a very cool period in between. October continued a run of very nice conditions to end the 2024 vintage. Generally mild to warm temperatures and not much precipitation until late in October made for a vintage with little to no pressure to pick until the fruit was showing its best flavors and acidity.

WINE PROFILE

Our 2024 Rosé of Pinot Noir bursts with ripe strawberry, citrus, melon, and pineapple on the nose. On the palate, tart mango and strawberry offer a lovely balance between the bright red fruit notes and acidity. Beautiful peachy pink Rosé of Pinot Noir is summer in a glass.

THE STORY

We only use Pinot Noir grapes to produce this classic, dry Rosé. We harvest our Pinot Noir from our Concert Block, the large, central block at the front of our Dundee Hills Estate, that was once the site of the famous Sokol Blosser concerts in the 1990's. The majority of the Concert Block section is Missoula flood soil, a sedimentary soil which lends itself to producing Pinot Noir that is lighter and delicate, perfect for a Rosé. Harvested and crafted with intention, we make this wine to capture Oregon summer sunshine in a bottle.
