

# Sokol Blosser

2017 ESTATE CHARDONNAY

This small blend is made of grapes from our Thistle Vineyard estate in the Dundee Hills. Our chardonnay has exceptional long-term aging potential and should continue to evolve and develop beautifully over the next five to seven years.

Our chardonnay is elegant with soft aromas of lemongrass and green apple, and delicate flavors of fresh pears and nutmeg. Hints of white peach and ginger linger on the finish.
