Wine

With the touch of our winemaking team and adoration for food-loving wine, our 2021 Evolution Riesling is so zingy and bright that it will wake up your taste buds and brighten your day.

We crafted a wine that will stand up to spicy curries and stinky cheeses. It's not your grandma's Riesling. It's the wine for the daring wine lover. The wine lover who likes to buck the norm and ignore the stereotypes.

Like a stealthy wolf in sheep's clothing, our Riesling is slightly sweet on the outside yet packs a punch. It has a core of acidity that grabs your attention and makes it food's best friend.

Winemaking

There was nothing but the cool embrace of stainless steel tanks for this vivacious vino.

Vintage

2021 was HOT, HOT, HOT! Fruit ripened fast and clean, and even though harvest was on the early side we were thrilled to be bringing in high-quality fruit from our favorite Washington wine region.

Notes

Take in a nose-full of bright tropical fruit, citrus, and a hint of floral! This wine is bursting with mouth watering notes of lychee, lime, pineapple and peach!

Pairings

Stinky cheese, spicy ANYTHING (sushi, curry, Takis and more), luscious sauces, salty snacks, kettle corn, cream cheese and fig spread!
