

Evolution

By Sokol Blosser

Riesling Columbia Valley 2022

For over 50 years the Sokol Blosser family has been putting passion into bottles at our winery in Oregon. In 1998 we poured that love for wine into Evolution – exceptionally food-friendly wines for exceptional people.

Wine

With the touch of our winemaking team and adoration for food-loving wine, our 2021 Evolution Riesling is so zingy and bright that it will wake up your taste buds and brighten your day.

We crafted a wine that will stand up to spicy curries and stinky cheeses. It's not your grandma's Riesling. It's the wine for the daring wine lover. The wine lover who likes to buck the norm and ignore the stereotypes.

Like a stealthy wolf in sheep's clothing, our Riesling is slightly sweet on the outside yet packs a punch. It has a core of acidity that grabs your attention and makes it food's best friend.

Winemaking

There was nothing but the cool embrace of stainless steel tanks for this vivacious vino.

Vintage

2022 might have started late but it came hot (literally and figuratively) by July. Eventually summer took its classic PNW turn and chilled-out (also literally and figuratively) for a long, cool ripening period. Between that and a dry fall, 2022 was a killer vintage!

Notes

Take in a nose-full of bright tropical fruit, citrus, and a hint of floral! This wine is bursting with mouth watering notes of lychee, lime, pineapple, peach and a dash of white gummy bear!

Pairings

This wine traverses the culinary world! Pair with pad see ew with prawns, chicken tikka masala, lobster with lots of butter, jambalaya and even kettle corn!
